I/We agree to abide by the following terms of the MTA and certify that:

- I. The germplasm MATERIAL (S) transferred herein as above shall be used only for the purpose of research under my/our direct/close supervision and will not be used for commercial purposes or profit making whatsoever, without prior written approval of the ICAR/ICAR-DRMR<sup>4</sup>. **The recipient (second party) agrees to provide precise objective(s) of research project in which the MATERIAL (S) will be used, including the manner in which to be used.**

<b>Objective(s) and manner in which the material(s) to be used:</b>
---

The recipient (second party) agrees to cease any use of the material in case of suspension of research project at the instance of either party or due to factors beyond the control of either party. Upon such suspension of further research work, both parties will mutually agree for adopting a suitable provision for their preservation. In case of failure of the parties to arrive at an agreement, the materials including derivatives will be destroyed upon 90 days notice from ICAR-DRMR, Bharatpur.

- II. All information and material supplied by ICAR-DRMR, Bharatpur shall be deemed to have been disclosed or provided to the recipient in confidence. The recipient agrees to preserve the confidential status of the material and information.
- III. The germplasm MATERIAL (S) or its (their) part(s), components or derivatives (including live or dead tissue/DNA) that can be used to retrieve whole DNA/fragment or sequence or any other genetic information shall not be distributed or transferred to any third country/party, except those directly engaged in research under direct supervision of the recipient (second party), without prior written approval of the ICAR-DRMR, Bharatpur.
- IV. Any development of commercial product based on research on gene manipulation/selective breeding programme for genetic improvement shall not be undertaken without written consent of ICAR/ ICAR-DRMR, Bharatpur. Modalities of undertaking any such work will be worked out before its conduct.
- V. If any third party is to be associated with any commercial development arising out of the germplasm accessed, permission from ICAR/ ICAR-DRMR, Bharatpur shall be sought.
- VI. The recipient agrees to acknowledge explicitly the name, original identity and source of the material, if used directly or indirectly, in all research publication(s) or other publications, such as, monographs, bulletins, books, etc. and shall send a copy of each of the publications to ICAR-DRMR, Bharatpur.
- VII. The recipient agrees to supply the feedback information on the performance/ utilization/ research outcome of the material(s) to the ICAR-DRMR, Bharatpur.
- VIII. The recipient agrees not to claim any intellectual property right over the MATERIAL (S) received including its related information and knowledge without prior written approval of ICAR/ ICAR-DRMR, Bharatpur.
- IX. The intellectual property protection or benefit sharing in respect of derivatives of the material(s) received/accessed, where applicable, shall be as per the Indian IPR/Biodiversity laws.
- X. The recipient agrees to hold the entire responsibility for the quarantine/SPS clearance of the material accessed as specified herein above. The recipient shall abide by the biosafety guidelines of -----  
----- (Name of the organization) and shall not hold ICAR-DRMR, Bharatpur responsible for any identity/ quality/ viability/ purity/ quarantine/ biosafety related or any other related

matter/hazard that may be attributable to the release of genetic material/ resource accessed as specified in this Agreement. The recipient agrees waive all claims against ICAR-DRMR, Bharatpur and to defend and indemnify the institute from all claims and damages/recoveries arising from the use, storage or handling of the material.

- XI. The recipient also agrees that the material is for experimental use and is being supplied without any warranties, whatsoever.
- XII. The MTA is non-assignable. The recipient agrees to abide by any other conditions that may be set in and conveyed to them from ICAR-DRMR, Bharatpur in respect of this germplasm access/exchange or any Law, Rules, Regulations, etc. enacted by Government of India from time to time.
- XIII. In case of any dispute between the parties to this MTA, the dispute shall be referred to the Sole Arbitrator to be appointed by the Secretary, DARE, Government of India. The Decision of the Sole Arbitrator shall be final and binding on the Parties. The Arbitration proceedings shall be governed by the Arbitration and Conciliation Act, 1996. The Arbitration proceedings shall be in New Delhi.
