

Welcome of Dr. P.K.RAI by the farmers of Bharatpur District

Progressive farmers from all the 10 Panchyat Samiti of Bharatpur district welcomed Dr. Rai by offering garland the Rajsthani turban (Safa) on the occasion of taking the charge of regular Director of ICAR-Directorate of Rapeseed-Mustard Research by him. While addressing the farmers, Dr. Rai said that the Directorate is committed for development of technologies for enhancing the production and productivity of Rapeseed-mustard in the country and it could only be possible by establishing strong relationship among scientists and farmers.
