

ICAR- DRMR, Bharatpur Celebrated World Intellectual Property Day on April 26th, 2024

26th April 2024, Bharatpur- 321 303 (Rajasthan)

ICAR-Directorate of Rapeseed-Mustard Research, Sewar, Bharatpur- 321 303 (Rajasthan) organised World Intellectual Property Day -2024

World Intellectual Property Organization (WIPO), established in 1967 is annually celebrate World Intellectual Property Day (WIPDAY) on April 26th from 2000 to highlight the impact of patents, copyrights, trademarks, and designs on daily life and to celebrate creativity and the contribution of creators to global economies and societies. The theme of WIPDay-2024 was IP and the SDGs: Building our common future with innovation and creativity.

On this occasion ICAR DRMR, Bharatpur organised a Workshop on Intellectual Property Right and Agriculture Innovations with the objective to create awareness among scientific, technical staff and RAs/SRF about Intellectual Property Right.

Dr. Pramod Kumar Rai, Director, ICAR-DRMR, Bharatpur, spoke about the present scenario of IP Protection in the Indian context concerning global issues with the view of some

Sustainable Developmental Goals (SDGs). He also highlighted the potential of IP in promoting a more inclusive and sustainable future.

Mr. Chetan Kumar (Speaker), Patent Attorney, RNAIP, New Delhi emphasized the fine-tuning with the scientists and techno-legal intermingling about their official disclosure of the inventions. He delivered a detail lecture on IPR and discussed about Patent, Copyright, trademark, Geographical Indicators, etc. He also added that IP will be the sign of future development of any society soon which will comply with the satisfaction and needs of the people.

An interactive session followed the lectures, offering attendees an opportunity to exchange ideas, share experiences, and seek clarifications on IP-related issues was conducted.

Dr. Vinod Kumar, In-Charge, IP&TM-Unit of ICAR-DRMR welcomed and proposed the vote of thanks Director, Speaker and participants, He emphasized the importance of the IP Day celebration. The event organised in hybrid mode was attended by the scientific, technical and RAs/SRF, and speaker delivered lecture online using zoom link.

A total of 25 participants attended the programme.
